The Engineers' Strike.

National Associated Press to the Star.
POSTON, Feb. 13.—The strike of the
engineers on the Maine Railroad re-
mains practically as last night. The
Superintendent to-day advertises for
twenty-five locomotive engineers, and
intends to have every train running as
usual before night.

**Hears His Death Warrant With
Laughter.**

National Associated Press to the Star.
PORTSMOUTH, N.H., Feb. 13.—Thomas
Duffy, one of the Molly Maguires who
was convicted of the murder of B. H.
Foot at Tamworth, had his death
warrant read to him this morning.

The execution is to take place April
4, between the hours of 10 and 3 o'clock.
During the reading Duffy was per-
fectly composed, and when it was finished,
laughed, and said, "That don't amount
to much."

Up Go Freight Rates.

National Associated Press to the Star.
CHICAGO, Feb. 13.—The General
Freight Agents of the Eastern Trunk
lines have raised through freight rates
from Chicago to European ports
5 cents. The rates are on the basis
of wheat to Liverpool, 52 cents; corn,
38 cents; provisions 63 cents per hundred
pounds; flour, \$1.24 per bri. These rates
are only temporary, and after this week
will be reduced by the New York meet-
ing.

**Continued Efforts to Prevent a
Double Hanging.**

National Associated Press to the Star.
TRENTON, N.J., Feb. 13.—In the Sen-
ate this morning the veto message of
Gov. Bedie was taken up and after a
lengthy discussion the bill was lost by a
vote of 15 to 6. In the Assembly a peti-
tion was presented to abolish capital
punishment. It is rumored that the
friends of Ryan and Ochs would make
another effort to save them and that an-
other respite will be asked of the Govern-
or.

FROM THE NATIONAL CAPITAL.

The Mississippi Jetties.
WASHINGTON, D. C., Feb. 13.—Capt.
Barrett, Commanding U. S. Steamer
Plymouth, has made a thorough examina-
tion of the Eads Jetties, at the mouth
of the Mississippi River, and reports the
result to the Secretary of the Navy.
The report concludes: "The Jetties are in
a perfect success. At a little expense
the current, which now leads to the
southwest pass, and forms an eddy, can
be obviated and directed to the proper
course."

THE JOINT COMMISSION

AT WORK ON THE LOUISIANA CASE.

National Associated Press to the Star.
WASHINGTON, Feb. 13.—Although it
was announced that the Joint Com-
mission would not commence its session till
11 o'clock, at quite an early hour a large
crowd had assembled awaiting admis-
sion. This increased as the time for the
meeting approached, till at 11 o'clock it
was almost impossible to get in or out
of the Supreme Court-room. Counsel
were present in the persons of Field,
Campbell, Trumbull, Carpenter, Mer-
rick, Hooley and Green, for the Demo-
cratic side of the question, and Everts,
Matthews, Shellabarger and Stoughton,
for the Republican side.

The members of the Commission then
came in and took their places.
Justice Clifford said objections to the
Hayes Electors would first be heard for
two hours, and the objections to the Tilden
Electors for two hours.

Mr. McDonald proceeded with the ob-
jections to the Hayes Electors, recapitu-
lating those presented to the House
yesterday. He claimed that the Hayes
Electors were not legally elected,
and said there were two sets of
election laws in Louisiana, and a
grave question arose as to
to which was the law. He held that
there was no provision for filling a
vacancy in the Electoral College except
by an election. Referring to the Re-
turning Board, he said congressional
actions and the laws show that
the Returning Board had no power
to look into the irregularities
at an election unless proper foundation
is laid by the statement of the Super-
visors of Registration or other proper
officers, and they now proposed to show
that the law had not been complied
with.

NEWS FROM THE METROPOLIS.

National Associated Press to the Star.

and By-laws appointed. The new board
will be named "New York Board of Open
Brokers." The admission will be \$100
until there are two hundred mem-
bers. No rates have been specified as
yet, but they will probably be a thirty-
second for turning stock, and a six-
teenth for carrying stocks, to outsiders,
and any rate for dealing with brokers
and bankers. It is said that \$15,000,000
of capital are interested in the new en-
terprise. The hour of closing is to be
4 P. M., an hour later than the regular
board.

President of the Fulton Ferry Company,
running between this city and Brook-
lyn, died last night.

was a very fine affair. After a requiem
mass in St. Francis Xavier Church, the

and neighboring cities. The church
and the street through which the pro-
cession moved, were crowded with spec-
tators.

BENNETT IN LONDON.

National Associated Press to the Star.
BALTIMORE, Md., Feb. 13.—Purser

with instructions, Captain Brooks stopped
the steamer and took on board James
Gordon Bennett and Howard Robbins.

Under an Embankment.

About 8 o'clock this morning, a young
lad about eighteen years old, whose
name is Henry Hassman, and who lived
with his parents on Cutter street near
Wade streets, came to his death by be-
ing buried under an embankment, which
was being made to grade a lot on Lyon
street, back of Ohio avenue.

The embankment was being made by
about a dozen men under the super-
vision of Christ, Sandau.

The men had dug out the bottom of a
hill about one foot in depth, when the
whole suddenly gave way and buried
young Hassman. Attempts were imme-
diately made to dig out his body, but
when they found the lad, his forehead
had been crushed in and he was a
corpse.

Coroner Sifen was notified and held
an inquest. A verdict was returned in
accordance with the facts.

**Fire on Walnut Hills—A Man Bad-
ly Burned.**

An alarm of fire was sounded at twen-
ty minutes of 10 o'clock, from Box 258,
Walnut Hills.

The Fire Department was called to
put out a fire in a house used as a car-
penter shop by Richard & Fasse. The
house is situated near the intersection
of Montgomery Road and Gilbert ave-
nue, and was owned by Ex-Sheriff
Springmeier.

The kitchen of Springmeier's house,
adjoining the carpenter shop, also
caught fire. The carpenter shop was en-
tirely burned down, the fire raging until
after 11 o'clock before it could be sud-
denly.

A carpenter named Goldworth, who
was working in the second story, was
caught by the flames and was badly
burned. He attempted to get out of
the building but was only
able to do so by jumping out of the sec-
ond story. He struck the ground and
broke his hip-bone, and received other
serious injuries.

Mail Robbery.

About 5 o'clock last evening Calvin E.
Rhine, a school teacher from North Lib-
erty, Ohio, and Mrs. Nellie Whistler,
Acting Postmistress of Cherry Fork,
were arraigned before Commissioner
Hooper on a charge of stealing letters
from the mail.

In the latter part of December the
Postmaster of Youngsville mailed three
drafts for about \$80 in all to R. M. Bishop
in this city. The drafts while in transit
were intercepted.

Later two of them were received here
by the Assistant United States Treas-
urer, and paid on an indorsement made
across the back. A day or two after the
discovery was made that the letters had
been intercepted, the third with in-
dorsed inclosure was received. Pay-
ment was withheld, and Special Agent
Johnson and Superintendent of Mails
Spaeth started for Adams County to
ferret out the mystery.

On Saturday last the officers found
that the postmistress and the school
teacher had decamped. They traced
them to this city, and last evening found
Rhine at Carney's auction stable on
Fifth street. Mrs. Whistler was found
at the Railroad House, opposite the
Spencer House. Both pleaded not guilty
before the Commissioner, but were bound
over for examination in the sum of \$2,500
each.

Mrs. Nellie Whistler was arraigned
before the Commissioner at noon, and
gave the required bail. Mr. Ramsey,
the horse dealer, going on her bond. Rhine
has not furnished bail.
